Modesto Junior College regulations permit the alleviation of work completed at MJC which is substandard and not reflective of a student's present scholastic ability and level of performance. The grades so alleviated will be disregarded in the computation of grade point average. Substandard work completed at MJC (grades of D, F, NP and/or NC) may be alleviated for a maximum of two terms under the following conditions:

Required Criteria:

- A period of at least two years has lapsed since the work to be alleviated was completed.
- The student must have completed coursework (after work to be alleviated was completed) either at Modesto Junior College or another institution. College Name: _____ (official transcript attached).
 - at least 15 semester units with a 3.0 GPA, **OR**
 - 30 semester units with at least a 2.5 GPA, **OR**
 - 45 semester units with at least a 2.0 GPA.

Course(s) will not be considered if:

- The course was previously used to establish eligibility for transfer, graduation, or certificate(s) of achievement.

Additional Information:

- Academic Renewal is limited to a maximum of two terms.
- The terms need not be consecutive.
- The permanent academic record shall be annotated in such a manner that all coursework remains legible, ensuring complete academic history remains.
